OCTOBER CONFERENCE DISCUSSION

I. Place: Boone, NC University Center for Continuing Education, Appalachian State University

A. John will contact the conference center to see if they can accommodate (lodging, convenient air transportation, ground travel time, and a large meeting room) a group of our anticipated size.

B. If Boone is not available, John will check other sites in the Southeast, if none are available he will call Jean (Asilomar, San Diego), Ron (San Juan), Mike (Washington, D.C.) and Dan (Starved Rock) to check on alternate sites.

II. Time: First, October 16-19; Second, October 9-12; Third, October 23-26

III. Keynote Speakers

A. One keynote speaker in each section

B. No honorariums or fee waivers will be given to keynote speakers or other presenters.

C. No sessions conflict with the keynotes. Follow keynote talks with thematic development groups (keynote speaker serves as one of the facilitators).

IV. Workshops

A. Thursday Workshops: Afternoon and maybe in the morning if people have to fly in on Wednesday.
B. Other workshops can be scheduled during the Friday-Sunday time (will overlap with other program sessions).

C. There will be special fees ($10-15 discussed) for each workshop which will cover expenses for handouts. All remaining workshop revenue will go into a grant development fund.

D. In the future we may wish to examine obtaining continuing education credit for workshop participants.

V. Section chairs: Confirm that invited speakers would be willing to prepare a paper of the presentation for the Annual Review of Applied Sport Psychology. See if the paper can be submitted prior to the conference.

VI. A conference evaluation form should be developed. Ideas should be brought to the April board meeting.

VII. A social activity indigenous to the area, e.g., blue grass music and clogging, should be planned.

VIII. Summary of Program

A. Each section will have at least two hours for invited symposia/talks/colloquia, one keynote address, 1-3 workshops (one for Health Psychology and Social Psychology and three for Intervention/Performance), three thematic development group sessions, 1-2 poster sessions.

B. The symposia concept was viewed as more desirable than the one hour talks.

C. Section chairs will bring to the April Board meeting their tentative program needs based upon invited participants and an evaluation of the submitted papers.

D. See the following page for a tentative "blocking" of the October meeting.
